Friday 7 to Sunday 9 November 2014

CONGRESS INFORMATION & BOOKING FORM

The EAP congress in Biella will be held at the Agorà Palace hotel, in the centre of the city.

Here, the Friday dinner will take place and typical local dishes will be served in a reserved room, and it will be composed by two entrées, two main dishes, dessert, and beverages included.

After dinner, it will be possible to visit the centre of Biella and typical sites.

Lodgings at the Agorà hotel with breakfast and starting of the congress in the meeting rooms Torre Grande, part of the hotel.

The delegations will be helped during the congress by some translators in English, French and Italian, and possibly Spanish. (We were thinking of simultaneous translations devices, but the costs would have been too high)

During the morning works, a coffee break is scheduled.

Lunch will be served at the hotel restaurant, served in a reserved room, and composed by entrées, two main dishes, and dessert.

During the afternoon works of the congress, a second coffee break is scheduled.

For the official dinner of the congress we have chosen the "Menabrea" restaurant, where you will have the chance to taste our beer, which is known and appreciated all over the world, and that it was born in this premises in 1846.

If the evening will allow it, it will be possible to visit the upper and ancient part of the city which is reachable by funicular.

Lodging always at the Agorà hotel with Sunday morning breakfast and the closing works of the congress.

At the start of the congress, local authorities should be present for the welcome to the EAP delegations along with Biella athletes who are part of the Italian national team and who also took part at the Olympics and European and World championships.

For what concerns the transfers To and From Biella, as soon as the delegations will tell us how they will arrive in Italy (airplane, car or train), it will be our care (via email) to address them to the adequate transfers to arrive in Biella.
